

Looking for Something Fun and Rewarding this Summer?

If you are between the ages of 13-17 look no further!

The City of Redmond's **Counselor-In-Training**
program is the perfect opportunity.

- ❖ Work with children between the ages of 3 years – 12 years.
- ❖ Bring your own creative ideas to our Day Camp programs!
- ❖ Receive a day of training that will help you become a better leader.
- ❖ Once you have completed the training program you can volunteer to work at one or all 3 of the participating Day Camps (Note: Farrel-McWhirter helpers must be 13 years of age or older to work with campers ages 3 to 9. Old Redmond Schoolhouse Community Center helpers must be 15 years of age or older to work with campers ages 6 to 12).
- ❖ Put these hours towards your needed Community Service hours for school.
- ❖ This opportunity will also provide you with the needed experience and training for your first professional job – whether it is as a day camp counselor or selling retail at your local skateboard shop.
- ❖ Best of all, enjoy teaching and supervising fun activities and making new friends in the process.

For more information, contact the City of Redmond's Parks and Recreation office for an application packet at (425) 556-2300 or Cindy Johnson at cjohnson@redmond.gov or (425) 556-2393.
